PRESIDENT Message

On behalf of Association of Spine Surgeons of Nepal (ASSN) it is my great pleasure to invite you to the Himalayan Spine Symposium and 5th Annual Conference of ASSN.

ASSN, with its constantly growing number of members, gives us the opportunity to continuously expand knowledge and research with regards to excellence in spine care in the region.

Renowned faculty from all over the world will make this event fruitful with academic excellence. I have no doubt that the meeting will promote friendships and sharing of knowledge that will last a lifetime. In addition it will foster partnership with many friends across the globe.

Kathmandu city is the capital of Nepal and one of cities in the world that needs to be visited in a lifetime as recommended by various organizations.

We are wholeheartedly working to ensure the success of this conference so that the participants will have an unforgettable experience.
